

Our Masonic Veterans

These Brethren have labored long in the quarries of Masonry and continue to contribute to the craft in a great many ways. Thank You my dear Brothers for your long and sustained support of our Fraternity.

Sat	Nov 21	0800AM-12:30PM	ACGL (Canteen by ACGL)

From the East

Brethren:

This month I will highlight the committee chaired by Brother Dan Tuma and tie that into the theme for this year "Strengthening our Foundation".

Communication is the life blood of any organization. We, as a fraternal body come together primarily for that social interaction of men among equals. We have a wide range of membership. Some members have embraced the new ways of social networking that technology presents. Some choose not to. The committee is working hard on a plan that will bring our communications into the digital age while still maintaining communications with those less technically inclined. Our secretary shared the new mailing plan with you last month but this is just one aspect of that communication. We must be effective in the communication methods of the present and the past to claim success.

As we talk of the past this brings us to the second undertaking of the Communications Committee. Our Records are starting to deteriorate. We must act now or we will lose the history that makes up the foundation of this lodge. All of the photos and documents that compose the archives of the lodge will be scanned in digitally and stored in a manner that will allow backup and searching. These documents will be used to create the living history of our lodge and the two that joined to form it. Chris Sullivan our newly appointed webmaster is working hard on assembling the equipment that will make this possible. We will securely store and access these records. The careful preservation of our history will be a manpower intensive task. Dan will be organizing days through the year and will need the help of lodge volunteers in this effort.

I mentioned briefly above the website and some of the work Sully is doing for us. We are modifying the way we are hosted to allow flexibility in the way our webpage is designed. For those so inclined, we will be able to pay dues and make contributions to the scholarship fund online. This can be done through PayPal and by credit card. The website is being expanded with a lodge history and space dedicated to our past masters. The communications committee will be soliciting help in this project throughout the year to gather information and possibly get help in writing up some of our deceased past masters. Chris could use a backup. If we have another brother who is network savvy please volunteer.

Brethren, we have a wealth of experiences and abilities. Each of us has something to contribute. Please volunteer and get involved in some aspect of the lodge this year.

As a final thought this month; it is annual dues time. For those of you who have not purchased a life membership in perpetuity. Why not? Please look into the payment options and see if one will meet your ability. This is a worthwhile program. It will ensure the continuity of our lodge for years after we are all in that spiritual temple not made with hands. I would like to see 75-80 percent of our lodge participating in this program by the end of the year. This is a reachable goal. I would ask every brother to seriously consider it.

Sincerely and Fraternally,
Edwin D. Morman, Master
Edwin@elmweb.net
WorshipfulMaster@ACGL81.com

Notes from Your Lodge Secretary

We've made some changes to the format of the Trestleboard this month. We are now in a letter size format for those that receive it via Email and would like to printout a paper copy at home. I hope that this will be an improvement for at least some of our members. For those where we mail the Trestleboard, it will be done via First Class mail to speed delivery and be more timely.

In February, we will also be publishing our two quarterly newsletters; one for those living outside the immediate area of the Lodge and one to the Widows of our past members. Their formats will be much different and will include educational materials as well as news about the Lodge but not the scheduled meeting information, etc. that they are unlikely to need. These will also very likely be multiple page newsletters. If you have anything you'd like to contribute, please mail it in to the Secretary. The short story is that if you live outside the local area, and want to receive the Trestleboard, you need to provide your Secretary with an email address. Everyone for whom we have an email address will receive their Trestleboard via email this month. For those of you without email, you can access our Lodge Website at your local Public Library. All the information from the Trestleboard will be available there to you. Our Web Site is <http://www.acgl81.com>. Please visit the web site often. If you need an email address, one will be made available to you via the website.

For the first time in many years the Lodge membership grew this last year. We raised 16 new Master Masons, affiliated 1, and lost 10 through death, demit and suspensions giving us an increase of 7 members. We also added 4 new Life Members which will provide needed funds to the Lodge in perpetuity. This is a great program and I encourage as many who can to become Life Members in Perpetuity.

Dues this year are \$55.00. You can mail them in anytime. The Secretary will mail out bills this month to those who have not yet sent in their dues.

Brian W. Galusha, PM
Secretary
ACGL81@Verizon.net
Secretary@ACGL81.com

Brothers Who Have Passed This Year

Please keep the memories of these brethren and the welfare of their families with you in your thoughts and prayers throughout the year.
