## From the East

Brethren:

It is June. We are halfway through this Masonic Year. As the weather gets warm we are switching to casual wear in the lodge for the next few stated meetings. No Jeans and T-Shirts please, but coat and tie will not be required. We have accomplished much this year so far, and hope to accomplish even more by the end of the year.

Your officers are to be commended for their advancement in proficiency with the lodge ritual. With the exception of the Senior Warden, Treasurer, and myself we have an entirely new line of officers. All have done well in memorizing their parts and jumping in to help where needed. The lodge is moving forward. We are distributing some of the load that was being shouldered by Wor. Brian Galusha and Brother Jeff Galusha has jumped in with both feet and is doing well. Thank you for your patience during this time of transition.

Our communication plan had been put in place by our Communication Committee. We are embracing the current standards of technology with our email system and online resources while remembering to also reach those who are not yet served in this fashion. We are doing this with our new quarterly publications for our out of area members and widows, and our telephone message system for those without email. The committee has also established a backed-up, secure, shared storage location for our important documents and member databases. Our website is up to date and being actively maintained and they are in the process of automating dues and scholarship donations online. Look for this and other expansions to the website to include lodge history and past masters pages in the near future.

We have had our first batch of mentored candidates through our degrees. The first MM will be on Thursday the 4<sup>th</sup>. Our next 3 EAs will begin on June 25<sup>th</sup>. I am charging all Master Masons; If you have not yet been to 3 of each degree, then you owe your lodge attendance at every degree within the length of your cable tow until you have.

Our Activities Committee has put on several worthwhile events that have been enjoyed immensely by those who attended. It is a great thing to get to know each other outside of the lodge room. It is nice to get our families involved in the lodge that is so important to us. I encourage everyone to make an effort to attend the picnic this month. It promises to be a great event. Brother John Smith has done a wonderful job in chairing this committee.

As a final thought this month I again ask those of you who have not purchased a life membership in perpetuity. Why not? I would ask every brother to seriously consider it. We have presented three of these so far in the first half of this year. Don't wait. We can still reach a goal of 75% of the lodge as LMIPs.

Thank you brethren for making the task of running this lodge run as smooth as it has so far this year. We have had some serious challenges and continue to face them.

Sincerely and Fraternally,  
Edwin D. Morman, Master

## Secretary's Desk

Fraternal Greetings,

2009 is already half over and unfortunately there is still a large stack of dues cards upon the Secretary's Desk. I will be sending out a 2<sup>nd</sup> round of dues notices this month. If you have not yet paid your 2009 dues, I encourage you not to wait for the 2<sup>nd</sup> notice to arrive. Dues for 2009 are \$55.00 and can be paid by check made payable to "Arlington Centennial – Glebe Lodge #81". The Secretary's address remains the same: 10721 Oakenshaw Ct. Burke, VA 22015. If there are circumstances that make paying your dues difficult, please contact the Worshipful Master, Secretary or any other Brother to discuss how the Lodge can help it's members in times of trouble.

Furthermore, If you have paid your 2009 dues and have not yet received your dues card, please contact me at Secretary@ACGL81.com or 703 – 472 - 3669. I apologize for any such error and will send your dues card to you post-haste.

I would like to thank all Brethren who have returned their 2009 Data Verification Forms. Our Lodge is large, diverse and its members call many parts of the world their home. The information that you have provided helps the Lodge keep you informed about upcoming events, called communications and last-minute reminders. It helps us assure that you receive certificates, awards and correspondence in a prompt manner. This form also helps the Lodge keep up with you and fulfill our obligation to our brethren. If you have not returned your 2009 Data Verification Form, please take a moment to check that there are no errors. It is important that you return this form, even if all information is correct.

While summer is around the corner, and many of us are thinking about beach trips, swimming pools and sweltering temperatures; many good men are asking about Masonry, seeking light, duty and truly preparing themselves for the degrees. With new petitions and new candidates, comes the need for mentors. Mentoring can vastly improve and enrich a candidate's journey toward becoming a Master Mason. Booklets are provided for each degree to guide both you and the candidate through the necessary information. All that is required is a small amount of time and a willingness to share your experience in Masonry with someone willing to ask. Mentoring can be done in person or over the phone. So even if you don't live in Northern Virginia, you can still contribute to your Lodge and share your experience through mentoring. If you are interested in mentoring a candidate, please contact the Worshipful Master or Brian A. Block PM, our Lodge Instructor of Work.

The Lodge also needs your help with filling the cast and sidelines for the many degrees we will be conferring this summer. I echo the challenge of the Worshipful Master and encourage each member who has not attended 3 communications of each degree to do so, within the length of their cable tow. These candidates and future brothers deserve the fullest and richest experience of going through the degrees, your participation and support can help make this possible.

Sincerely and Fraternally,  
Jeffrey B. Galusha, Secretary
